RADIUS

PROFIT DRIVING ADD-ONS

Cleans 20% Faster with WashBuilder Technology

COLORWAVE

An add-on that pays for itself time and time again. This menu builder delivers a thick foam curtain that will visually set your wash apart from the competition and raise your average ticket in tighter bay spaces.

RAINSHIELD

Protect your customer's vehicle body and glass surfaces from corrosives, oxidation and UV rays while enhancing the look of the vehicle.

TRI-FOAM

Wow your customers with this luscious application of foam that immerses their vehicle to give them a sparkling exterior after breaking down all the dirt on the vehicle's surface.

Radius uses IMAXX advanced concepts and spray-pattern designs created to exceed wash-quality expectations, while delivering the superior quality and dependability you expect from a Ryko machine.

WHEEL CLEANING

The oscillating Rocker Wheel Blasters and Under-Chassis Sprayer provide two choices of extra cleaning power where vehicles need it most.

HIGH-PRESSURE

Reduce water consumption by upgrading to the High-Pressure Radius, with new and improved pump stand.
